APPENDIX E3

MONTHLY REPORT ON SAFETY PERFORMANCE
[PS Clause 1.13B]

To: The *Supervisor / Supervisor*'s Representative

***Contractor*'s Monthly Report on Safety Performance (Revision No. _____)**
(for measurement of the performance-tied payment items under PFSPMS)

A. Contract Details

Department : _____

Contract No. and Title: _____

Name of *Contractor*: _____

Reporting Month: _____ / / _____ to _____
(dd/mm/yyyy) *(dd/mm/yyyy)*

B. Safety Performance of the Contract in the Reporting Period

Performance Indicators	Performance achievements in this Reporting Month (to be reported by the *Contractor*)	Verified by *Supervisor*'s Representative
1. No reportable accident(s) in the reporting month	Yes/No#1 Number of reportable accident(s) in this month:- _____ (nr)	Agree/Disagree#1 *(initial)* _____
2. No notice of safety or environmental prosecution in this month	Yes/No#1 Number of prosecution received in this month:- Safety _____ (nr) Environmental _____ (nr)	Agree/Disagree#1 *(initial)* _____
3. Safety training (Silver Card) for specified trade#2 workers compliance per month [*Note: Measurement to be made if: no. of Silver Card compliance/ total no. of workers requiring Silver Card > 90% on a date specified by the Supervisor during the month*]	Measurement Date : _____ Number of skilled workers who are employed in the specified trades on : _____ Number of skilled workers in above who possessed the relevant Silver Card: _____ Percentage: _____	Agree/Disagree#1 *(initial)* _____
4. Half-yearly review of safety performance – notices from Labour Department (LD)#3 a. No Part I Inspection Notice in half year b. Not more than 5 nos. of Part II Inspection Notice in half year c. No Improvement Notice (IN) or Suspension Notice (SN) in half year	Half year period : From: _____ to _____ (dd/mm/yyyy) (dd/mm/yyyy) Yes/No#1 No. of Pt. I received _____ (nr) Yes/No#1 No. of Pt. II received _____ (nr) Yes/No#1 No. of SN received _____ (nr)	Agree/Disagree#1 *(initial)* _____
5. 12-month rolling accident frequency rate for reportable accidents #4below 0.25 per	Yes/No#1 12-month rolling accident frequency rate	Agree/Disagree#1 *(initial)* _____

Performance Indicators	**Performance achievements in this Reporting Month (to be reported by the *Contractor*)**	**Verified by *Supervisor*'s Representative**
100,000 an-hours worked[#5]	for reportable accidents[#4] in this end-month of 12- month period :-	
6. Yearly review of safety performance - no fatal accident in a year [#6]	Yes/No[#1] Number of fatal accident(s) in this Year : _____ (nr)	Agree/Disagree[#1] *(initial)* _____
7. Achievement in safety campaigns organized by DEVB[#6]		
(i) Considerate Contractors Site Award (CCSA)	Gold/Silver/Bronze/Merit/No Award/ /Not applicable[#1] In year :-	Agree/Disagree[#1] *(initial)*
(ii) Outstanding Environmental Management Performance Award (OEMPA)	Gold/Silver/Bronze/Merit/No Award/ /Not applicable[#1] In year :-	Agree/Disagree[#1] *(initial)*
(iii) If no CCSA under CCSAS – measurement for level 1 assessment	No. of Level 1[#7] assessment: _____ Total no. of assessment: _____ % of Level 1assessment: _____ In year:- _____	Agree/Disagree[#1] *(initial)* _____
(iv) If no OEMPA under CCSAS – measurement for level 1 assessment	No. of Level 1[#7] assessment: _____ Total no. of assessment: _____ % of Level 1assessment: _____ In year:- _____	Agree/Disagree[#1] *(initial)* _____
8. Final review[#8] of safety performance in respect of (review to be made upon a date six month after the time for completion of the *works* or such extended time for completion of the *works* as may be determined in accordance with NEC ECC Clauses 63.3 or an earlier or later date notified by the *Project Manager*):		
(i) No fatal accident in the period from contract commencement to six month after the time for completion of the *works* or such extended time for completion of the *works*	Yes/No[#1] No. of fatal accident(s) in the the period: _____(nr)	Agree/Disagree[#1] *(initial)* _____
(ii) Cumulative accident frequency rate for reportable accidents[#2] below 0.25 per 100,000 man-hours in the period from contract commencement to six month after the time for completion of the *works* or such extended time for completion of the *works*	Yes/No[#1] Cumulative accident frequency rate for reportable accidents[#2] in the period : _____	Agree/Disagree[#1] *(initial)* _____

Notes:-

[#1] Delete as appropriate

[#2] Specified trades are set out in Paragraph 8(2)(A)(i) of this Particular Specifications on Site Safety

[#3] To be reported half yearly

[#4] "accident frequency rate for reportable accidents" shall be calculated as the number of reportable accidents per 100,000 man-hours worked

#5 Measurement is not made for any period with less than 12 months
#6 To be reported once for each year
#7 Level 1 assessment refers to the assessment sheet of Considerate Contractors Site Award Scheme (CCSAS) for CCSA and OEMPA respectively with level 1 being the highest rating for each item
#8 To be reported six months after the time for completion of the *works* or such extended time for completion of the *works* or an earlier or later date as notified by the *Project Manager*.

Important:- If there is any false information, including mis-reporting, late reporting or under reporting of accidents, in the Monthly Report, if considered appropriate, the *Project Manager* shall reflect the mis-reporting in the rating of the relevant items in the Score Card for assessment of the *Contractor*'s site safety performance.
